On the Air

WNTC has been on the air now for a few weeks. It's nice to know that all that equipment that was invested in isn't going to waste. We thought for awhile that because of all the work and seemingly lack of cooperation that the outfit might fold. We hoped not. Our hopes were fulfilled for the station is now back on the air at two different times.

In the morning at 7:30 and in the evening from 9:00 to 11:00 p.m. That's 6:40 on your dial so if you're ever in the mood for a little college baloney then tune in and listen . . . it's really good
